PROPOSAL

April 14, 2023

Jennifer Knutson City of Baudette P.O. Box 548 Baudette, MN 56623

Thanks for your interest in the On Bike Share system. Below is the quotation you requested.

Everything You Need to Get Started

Our system includes everything you need to run your own bike share system – bicycles with smart locks, docking racks and the On Bike Share App and admin software. Plus, the bikes are <u>custom branded with your logo</u>.

How the System Works

With our system, you control who can access the bikes by accepting or declining members into your system. The system is fully automated, so once riders are approved, they can checkout bikes aytime using the App. When done riding, riders dock the bikes back onto the racks. Each time riders check out a bike, the system tracks their activity so you always know who has the bikes.

Bikes Are Free to Use

The On Bike Share software platform is designed specifically for bike share programs where the <u>bikes are free to use</u> such as apartment communities, corporate campuses, colleges, and hotels; it does not collect bike rental fees through the App.

Experience You Can Trust

We have been selling bicycle fleets and bike share systems for nearly 20 years. The On Bike Share system is already used at nearly 600 locations across the country – with systems ranging from 5 bikes to over 200 bikes. We also back every system with a comprehensive warranty and free lifetime support.

Please contact me with questions at 401-475-8094. We look forward to the opportunity to work with you.

PROPOSAL

Start With The Best Bikes

Bikes are at the heart of our system. Which is why we designed our bikes with premium components and innovative features so they are easier to ride, more reliable, more versatile and last longer. Plus, with a relaxed upright riding position and comfy seats, our bikes will make your riders smile.

Custom Branding

With our system, the bicycles come branded with your logo. We put your logo on the sides of the frame, the baskets and the rack top. We even put your logo in the App. Want more color on the bikes? We can custom paint the fenders and chainguard to color match your logo.

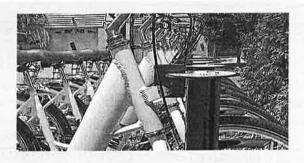

Smartphone App

When riders get to the racks, they press the button for available bikes. They simply pick the bike from the list that they want to ride, and the App unlocks the bike from the rack using the phone's Bluetooth. Riders can also use the app to see their ride history and report problems.

Smart Locks And Docking Racks

Our system uses weather-sealed electronic smart locks mounted to the front of the bike. This lock is used to 'dock' the bikes to the rack. This keeps the bikes secure, organized, and centrally located. Our smart locks use rechargeable, swappable batteries that last for months, so the bike racks don't require any power or internet—just a concrete pad to mount the racks.

Admin Software

When riders use the App to select and checkout a bike, rides are automatically recorded in the Admin software, so you always know who has the bikes. Plus, since only approved riders can checkout bikes, you control who can access the bikes. The Admin software also allows you to set hours of operation, set how many bikes a rider can use, and allows you to ban riders that abuse the system.

Warranty. Bicycles, racks and electronic locks come with oneyear warranty against manufacturing defects or workmanship, limited solely to the repair or replacement of original parts. Warranty claims must be made directly to Dynamic Bicycles. Dynamic reserves the right to request the return of parts claimed under warranty. Warranty does not cover vandalism, theft, damage from accidents, normal wear and tear, neglect, misuse, or failure due to improper assembly, installation, maintenance, or harsh environmental conditions. Expected life of bicycle, racks and electronic locks and batteries will vary by location, environmental conditions, frequency of maintenance, handling of riders, etc. Warranty of bicycle is void if modified or used in a manner or purpose other than its original design. Warranty does not include shipping costs.

1. License Use. Dynamic grants Customer a nonexclusive, non-transferrable license ("License") to access the On Bike Share software platform ("Software") including App and Administrative software for use with On Bike Share system ("System"). This License includes hosting of the Software, Administrative logins, free unlimited downloads of the On Bike Share App through the Apple Store (iOS) and Google Play Store (Android), as well as all updates and upgrades to the Software during License use.

Software Licenses are issued per Bluetooth Electronic Smart Lock ("Licensed Device"). This License is limited to use only with Licensed Devices included with the System, and cannot be used to control or access any other equipment or devices, and is limited to the life of the Licensed Device. Any new or replacement Licensed Devices purchased for use in the System are subject to License Device activation fees. You may not and you agree not to, or to enable others to, copy, decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works from the App, Software or connectivity between Software and Licensed Devices.

- 2. Fees Collected. The On Bike Share Software does not collect or charge rentals fees. The Software can only be used for programs that do not collect rental fees through the App. Customer has the ability to require a credit card as part of the user registration process, but will not have the ability to charge this card through the Software.
- 3. Covered Software Versions. App users are encouraged to keep up-to-date with App updates in order to ensure the best possible experience with the bike share system. Admin software is regularly updated. Any updates are automatically visible to Admins.
- 4. Excluded Services. Excluded from the coverage of this Software License are interruptions in service resulting from misuse or misconfiguration of the Software by Customer, or any accident or other cause external to the Software, including but not limited to problems related to internet interruption, Data Center interruption, Customer's network, information/security breach, or other similar causes.

Warranty and Software License

- 5. Termination. If Customer breaches any a material terms of this Software License and does not remedy the breach within twenty (20) days upon of written notification to Customer of such breach, Dynamic reserves the right to terminate Customer access to Software and the System.
- 6. Software Warranty. On Bike Share warrants that the Software will be maintained and supported in accordance with industry standards, and makes no other warranty, express or implied, with respect to the Software and license, including but not limited to any implied warranty of merchantability or fitness for a particular purpose or any other warranty of any kind for any services performed hereunder or any materials furnished hereunder.
- 7. Limitation of Liability. The cumulative liability of Dynamic to Customer for all claims arising under or related to this Software License, whether in contract, tort or otherwise, shall not exceed the original Software License fees paid to Dynamic with the original purchase in the amount of \$100 per Licensed Device. In no event will Dynamic be liable to Customer or their bike share program users for damages for loss of data, breach of customer or user information, or other indirect, special, incidental or consequential damages arising from use of the Software or bicycle, even if Dynamic has been advised of the possibility of such damages, or for any claims by any third party. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the effectiveness of other remedies.
- 8. Indemnification. Dynamic warrants that it has the right all necessary permissions to license the Software, and the use of the Software by Customer in accordance with the terms of this Agreement shall not infringe the copyright of any third party. Dynamic shall indemnify and hold Customer harmless from any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any claim by any third party of an alleged infringement of copyright or any other property right arising out of the use of the Software by the Customer in accordance with the terms of this Agreement. This indemnity shall survive the termination of this Agreement.
- 9. Dispute Resolution. Customer agrees to arbitrate rather than litigate in court any and all claims, disputes, or controversies between Customer and Dynamic, including any parents, subsidiaries, affiliates, officers, directors, employees, or agents of Dynamic, whether based in contract, statute, regulation, ordinance, tort (including, but not limited to, fraud, misrepresentation, fraudulent inducement, negligence, or any other intentional tort) or other legal or equitable theory ("Dispute") that arise out of or in any way relate to Customer's use of On Bike Share System or Software, or any of the Services or products provided to Customer. All such dispute resolutions shall be subject to the laws of the state of Rhode Island, and jurisdiction shall be in Providence County, Rhode Island.

Bicycle Maintenance

The Simple and Cost-Effective Way to Maintain Your Bike Fleet

TERMS AND CONDITIONS

Freeberg & Grund, (FG) shall perform the services outlined in this agreement for the stated fee arrangement.

Access To Site:

Unless otherwise stated, I'G will have access to the site for activities necessary for the performance of the services. FG will take precautions to minimize damage due to these activities, but has not included in the fee the cost of restoration of any resulting damage.

Dispute Resolution:

Any claims or disputes made during design, construction or post-construction between the Client and FG shall be submitted to non-binding mediation. Client and FG agree to include a similar mediation agreement with all contractors, subcontractors, sub consultants, suppliers and fabricators, thereby providing for mediation as the primary method for dispute resolution between all parties.

Billings/Payments:

Invoices for FG's services shall be submitted, at FG's option, either upon completion of such services or on a monthly basis. Invoices shall be payable upon receipt of the invoice. If the invoice is not paid within 30 days, FG may, without waiving any claim or right against the Client, and without liability whatsoever to the Client, terminate the performance of the service. Retainers shall be credited on the final invoice.

Late Payments:

Accounts unpaid 30 days after the invoice date may be subject to a monthly service charge of 1.5% (or the legal rate) on the then unpaid balance. In the event any portion or all of an account remains unpaid 60 days after billing, the Client shall pay all costs of collection, including reasonable attorney's fees.

Indemnification:

The Client shall, to the fullest extent permitted by law, indemnify and hold harmless FG, his or her officers, directors, employees, agents and sub-consultants from and against all damage, liability and cost, including reasonable attorney's fees and defense costs, arising out of or in any way connected with the performance by any of the parties above named of the services under this agreement, excepting only those damages, liabilities or costs attributable to the sole negligence or willful misconduct of FG.

Certifications:

Guarantees and Warranties: FG shall not be required to execute any document that would result in its certifying, guaranteeing or warranting the existence of conditions whose existence FG cannot ascertain.
